Other Notes:

- Yuehai mentioned there was an overlapping issue and made the change
- Chenbo created a PR after finishing MAT-18
- Despite deadline on Monday, goal is to finish by Sunday
- Next meeting will be short, just to ensure that everyone is done implementing and testing and then decide for PR.
- For Sunday's meeting, each issue group will complete 2.2 of Deliverable 3 before the meeting
- During Sunday's meeting, we will see what evidence we have and figure out how to present it clearly.
